FILM PERMIT PROVISIONS

If Tribe approves the film permit application, Tribe is granting Applicant the temporary, revocable, and non-exclusive right to enter Tribal property to conduct the activities identified in the film permit application. As a condition of Tribe's approval of the film permit application and issuance of a film permit, Applicant agrees to be bound by and comply with the following film permit provisions:

Applicant waives all claims against the Agua Caliente Band of Cahuilla Indians, its officers, employees, agents, and representatives, for loss or damage caused by, arising out of, or in any way connected with the exercise of the film permit. Applicant hereby agrees to indemnify, defend, and hold Tribe, its officers, employees, agents, and representatives harmless from and against any and all losses, damages, or claims, causes of action, costs, liabilities, penalties, judgments, and expenses, including, without limitation, defense costs and reasonable legal fees, resulting from any and all claims or damage of any nature, including any accident, loss, or damage to persons or property which Tribe may incur and which arise from or relate to any activity conducted by Applicant or any of its officers, employees, agents, and representatives, contractors, consultants, or students in connection with the rights granted in the film permit. Prior to conducting the activities identified in the film permit application, Applicant hereby agrees to obtain, and maintain in effect for the duration of the activities, the policies of insurance that comply with the Tribal Insurance Requirements, which are attached hereto and incorporated herein by this reference. Applicant hereby agrees to name Applicant as the named insured and name Tribe as an additional insured via a blanket endorsement.

Tribe shall have the privilege of inspecting the location covered by the film permit at any or all times. Applicant hereby agrees that Applicant and its officers, employees, agents, and representatives, in exercising its rights under the film permit, are acting in an independent capacity and not as officers, employees, agents, or representatives of Tribe. Tribe may terminate the film permit at any time and for any reason. No alteration or variation of the terms of the film permit shall be valid unless made in writing and signed by Tribe.

Applicant shall compensate Tribe for any loss or damage to Tribal property caused by Applicant. Applicant hereby agrees to clean and restore Tribal property to its original condition prior to use as a location site. Applicant hereby agrees to comply with all the rules and regulations of the facility or institution subject to the film permit. Applicant hereby agrees to obtain prior Tribal approval for deviations from the information provided in this film permit application and understands that failure to comply with the film permit provisions may result in termination of the film permit and exclusion from the Agua Caliente Indian Reservation.

Tribe makes no representation or warranty as to the condition of any Tribal property or facilities used by Applicant and it is the responsibility of Applicant to fully inspect all such property and facilities to determine their condition prior to their use, and in going forward, assumes all risks association with the condition of the property or facilities.

Tribe's approval of the film permit is only effective for the time frame indicated on the face of the film permit application.
